What is an apprenticeship?

- An apprenticeship is a programme of structured education and training which formally combines and alternates learning in the workplace with learning in an education or training centre.
- It is a combination of **on-the-job employer-based training** and **off-the-job training in an education setting**.

Benefits of an Apprenticeship

- 60+ Apprenticeships to choose from
- Earn while you learn
- Training by industry professionals
- Track record and work experience
- Job ready qualifications
- Excellent career progression

Key Features of all apprenticeships

- Lead to award levels 5–10 on the National Framework of Qualifications (NFQ)
- Between 2–4 years in duration
- Minimum 50% on-the-job learning
- Flexible delivery – online, blended, off-the-job learning in increments/blocks
- Apprentices are employed under a formal contract of apprenticeship
- The apprentice is paid for the duration of the apprenticeship
- Industry-led

Apprenticeship is expanding

Soon to be more than
60 programmes,
spanning the full range
of industry sectors and
leading to awards from
certificate (Level 5) to
